

WORK EXPERIENCE

Analytics Intern, Hamptons Collegiate Baseball League, Southampton, NY *Jun. 2025–Aug 2025*

- Configured FlightScope X3B pitch-tracking radar at HCBL games daily, building the most comprehensive database in league history for state-of-the-art MLB funded data analytics program.
- Met with pitching coaches and pitchers pregame to ensure pitches and pitch shapes were correctly tagged live during games.
- Analyzed pitch-by-pitch tracking data across all six league teams to surface insights on pitcher arsenal composition, movement profiles, and count-based tendencies for coaching staff evaluation, while building a pitch arsenal database.

Assistant Women's Basketball Video Coordinator, Temple University, Philadelphia, PA *Nov. 2025–Present*

- Facilitated live video coding for practices and games using Sportscode hotkeys to produce organized film for assistant coaches to generate scouting insights on upcoming opponents.
- Maintained scouting and film analysis infrastructure via Hudl, Sportscode, and Synergy for accurate and efficient video operations.
- Produced independent analytical projects on coaching challenge strategy and 2-for-1 situations presented to staff.

Graduate Assistant, Tennis Operations, Temple University, Philadelphia, PA *Aug. 2025–Present*

- Authored all content for monthly alumni newsletters and supported alumni fundraising initiatives.
- Supported daily operations for Men's and Women's Tennis programs, including match preparation, travel logistics, and NCAA compliance management.

Senior Research Associate, EAB, Washington, D.C. *Aug. 2023–Jun. 2025*

- Examined regional and national data to surface market insights, aggregating findings into research reports delivered to partner institutions to improve academic curricula strategy.
- Ran independent enrollment data analyses and formulated theses that served as the foundation for client-facing research reports.

Photography Intern, Major League Baseball, New York City, NY *Jun. 2022–Oct. 2022*

- Acquired and processed headshots and action shots for 1,500+ MLB draft prospects for broadcast coverage of the MLB Draft, publication on MLB.com, and distribution to club social platforms.

RELEVANT EXPERIENCE

MLB Take the Field 2025, Orlando, FL *Dec. 2025*

- Attended panels and breakout sessions led by MLB Front Office members in baseball operations, R&D, scouting, coaching, and player development.
